09:10	OFFICIAL OPENING Official Opening: Africa's regional pathways: Resilience and regional integration	
10:30	REFRESHMENTS	
11:00	PLENARY PANEL 1 In conversation with Energy Leaders	
12:00	LUNCH	
13:30	PANEL 2 Innovative funding solutions to accelerate Africa's energy sector growth & development	PANEL 3 Energy access & securing the future for Africa's citizens
15:00	REFRESHMENTS	
15:30	PANEL 4 "Beyond the light bulb." Providing electricity in the form of light only, does not automatically increase productivity. Electricity should be valued as a means to generate income and boost economic & social development. Sometimes additional assistance is required: e.g. working capital, access to markets, local development projects, skills/capacity.	PANEL 5 The role of off grid and mini grid in rural electrification
17:00	AFRICA ENERGY INDABA COCKTAIL RECEPTION
