

BRICS Energy Event 2018

DATE: 24 July 2018

TIME: 10h00 to 16h30, followed by networking cocktail party with live music surprise

VENUE: Industrial Development Corporation (IDC), 19 Fredman Drive, Sandton, Johannesburg

Theme: "Energy Transition 4.0"

South Africa will be hosting the **BRICS Summit** in July this year as South Africa assumes the rotating chairmanship of **BRICS** from China.

The **BRICS Business Council's Energy and Green Economy Working Group** is hosting the **BRICS Energy Event 2018**.

The **BRICS Energy Event 2018** is aimed at bringing together 500 energy leaders, experts, energy companies, investors, government officials, academics and NGOs from **BRICS** countries, and other African countries.

The event will provide a platform for debate, innovation and action, with an opportunity for decision makers, investors and developers to network and move energy projects forward.

You are cordially requested to extend an invitation to your CEO and/or key executives within your organisation that have an interest in the Energy Transition to attend this unique event.

Draft programme

10h00 – 11h00: Registration, networking and light brunch, with live entertainment

11h00 – 13h00: Morning plenary session for 500 attendees with opening choir

13h00 – 14h00: Three course buffet lunch and networking

14h00 – 16h30: Afternoon plenary session

17h00 – 19h00: Networking cocktail party with live music surprise

You are urged to register to attend the **BRICS Energy Event 2018** overleaf without delay to avoid disappointment. Registrations will be accepted on a first-come, first-served basis for 500 attendees, and there is **no cost to attend**.

Please note this invitation is personal to **CEOs**, and can only be transferred to **Executives** that report directly to the **CEO**.

We look forward to welcoming representatives from your organisation, and their participation in an engaging and productive **BRICS Energy Event 2018**.
