

2019 SANEA MEMBERSHIP: BENEFITS

(Benefits are subject to review from time to time)

SANEA's primary objective is to enhance the level of understanding and the quality of debate on energy matters, thereby contributing to improved decision making and provision of more equitable and sustainable energy systems. All members contribute to the achievement of this objective through their membership subscriptions and their active engagement in SANEA activities.

The following activities are available to all SANEA Members:

- World Energy Council Membership
- Expertise Database & SANEA e-Media
- CPD Points
- World Energy Council Study Programme Participation
- Technical Meetings (free, monthly)
- SANEA Ad Hoc Briefing Notes
- Technical Visits (free, bi-annually)
- SANEA Conferences (discounted member rates)

Corporate and Premier members have a particularly important role in SANEA and the following opportunities are reserved for them:
