

Bio of Phumeza Mgxashe

Phumeza Mgxashe is focused on inclusion and cross-sector partnerships in the basic education sector. A few years ago she enrolled for African studies at TMALI, Unisa. Through this programme, she learned about the energy challenges and opportunities on the African continent. Her curiosity led to enrolling for an MPhil: Inclusive Innovation at the UCT Graduate School of Business, focusing on the REIPPPP socio-economic benefits for low-income communities.
